'A wee gem of a book, essential reading for anyone who reads or writes poetry.' Alan Spence, *The Scotsman*

It is the best book on reading and writing poetry for a general audience that I have ever read.' *Australian Book Review*

'It really is a tremendously good book ... this is the best book about poetry I've ever read' **Adam Newey, Guardian**

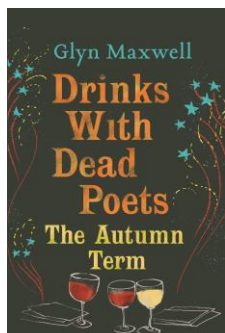

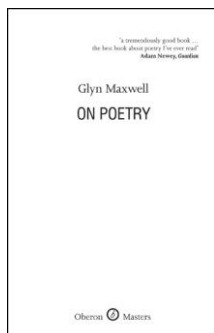

A collection of short essays and reflections on poetry which illustrate Maxwell's poetic philosophy. With examples from canonical poets, this is a beautiful, accessible guide to the most ancient and sublime of the realms of literature.

Author Bio: Glyn Maxwell has long been regarded as one of Britain's major poets. He has been awarded the Geoffrey Faber Memorial Prize, the Somerset Maugham Prize, and the E.M. Forster Prize from the American Academy of Arts and Letters, as well as being shortlisted three times for both the T.S. Eliot and Forward Prizes.
