Keynote: A treasure trove of aphoristic Irish folk-wisdom that won't fail to engross today's reader.

Selling points:

- Compiled by an **established expert and scholar** on the subject
- Chosen on the basis of relevance to today's perspectives in Ireland and abroad
- Successful subject in Travel and Irish Folklore categories
- Launched to **coincide with St. Patrick's Day 2017**
- Compiled by the author of the best-selling *Kiss My ... A Dictionary of Irish Slang*

About the Book:

Proverbs in Irish grant the reader a look into the vast and rich world of aphoristic Irish folk-wisdom, as vibrant today as they were then. Chosen on the basis of relevance in the modern context, universality, frequency of usage, and cultural relevance, the book is organised by an array of themes, from Anger, Beauty and Marriage to Foolishness, Silence and Treachery.

A must have at home or abroad.

About the Author:

Garry Bannister attended Trinity College Dublin where he studied Irish and Russian. On receiving a scholarship, he went to Moscow State University where he graduated with an MA in Russian language and literature and subsequently helped set up the first Department of Modern Irish. Bannister's main interest today is the Irish language and its literature. He has many publications in this area and is a lecturer at St Columba's College, Dublin.

He is an acknowledged expert of 20th Century Irish and the editor of *Tesáras Gearr Gailge – Béarla* and the *English– Irish Learner's Dictionary*.

Kiss my ... A Dictionary of Irish-English Slang was published by New Island in paperback in March 2015.
