SOUL SURVIVOR

The Reincarnation of a World War II Fighter Pilot

BRUCE AND ANDREA LEININGER WITH KEN GROSS

The unforgettable account of how two sceptical parents came to believe in past lives and reincarnation - through their son's undeniable memories of his past life as a World War II fighter pilot.

DESCRIPTION

James Leininger was just two years old when he began having disturbing nightmares that would not stop. He screamed out in the night 'Plane on fire! Little man can't get out!' While nightmares are common among children, what happened next shocked those around him...James began to reveal details of planes and war tragedies that no two-year-old boy could know. His desperate parents were at a loss to help him until he said three things: 'Corsair', 'Natoma' and 'Jack Larsen'.

From these tantalising clues, James' parents travelled thousands of miles and spent many long years piecing together these facts to try and find an answer that could end his torment. Finally, despite his mother's fears and his father's staunch Christian beliefs, they found only one possibility to the endless coincidences that surrounded every detail in James' life - that their son was reliving the past life of a World War II fighter pilot.

Their touching story is one that will challenge sceptics and confirm the beliefs of those who already believe in life after death.
