

The 10 Worst Serial Killers

By Victor McQueen

Description

A gripping analysis of the world's ten worst serial killers. They have been selected not simply because of their high 'body counts': these killers are the ones who have most terrified the communities on which they preyed, and in some cases changed the history of the nations in which they operated. This collection focuses solely on the true stories behind the very worst real-life serial killers from across the globe.

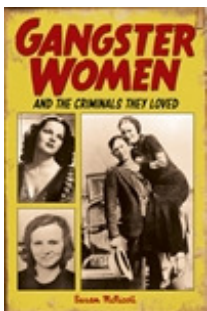

Key Selling Points

- From Luis Alfredo Garavita Cubillos, aka The Beast, and Eric Edgar Cooke, to Moses Sithole and Thomas Pickton, The Pig Farmer Killer, these are cases which will intrigue and horrify in equal measure.
- Although technically only two murders are required for a murderer to be defined as a serial killer, the personalities we have chosen here went on to kill and kill again.
- Not for the faint-hearted.
- Fully illustrated.
- Word count: 42,000.
