Past-Life Memories

CATHY BYRD

Incredible true-life story of a young boy's memories of a past life as a world-famous baseball player.

DESCRIPTION

A powerful and inspirational story about a young baseball prodigy who, at the age of two, began sharing vivid memories of being a baseball player in the 1920s and '30s. Christian Haupt described historical facts about Lou Gehrig that he could not have possibly known at the time. Distraught by their son's uncanny revelations, his parents embarked on a sacred journey of discovery that shook their beliefs to the core and forever changed their views on life and death.

The Boy Who Knew Too Much delves into the mystery of life and will inspire even the greatest sceptics to consider the possibility that love never dies.

'A riveting tale of a talented young boy with a love for the game and the natural talent to go along with it. More importantly, it is a story of how a mother's love can defy all logic and move mountains. Cathy Byrd is one heck of a baseball mom and a true advocate for all children.' - Tommy Lasorda, Baseball Hall of Fame Manager (Los Angeles Dodgers)
